

I am

I'm trying to

But

Because

Which makes me feel

STUDENT

Paying  
exam fees

Can't recognize  
the digits  
properly

The digits are  
not properly  
written.

Frustrated

PATIENT

buy the tablets  
from  
prescription

Can't recognize  
the medicine  
name

the handwriting  
is not  
understandable

Worried

TEACHER

Correcting  
answer sheets

taking a lot of time  
to understand the  
answers

The handwritting  
of the students  
differ

Irritated

BANK  
MANAGER

to read the  
documents of  
the loan

Can't recognize the  
text and digits in the  
document properly

The text are not  
in a readable  
format

Frustrated

POST MAN

Recognize  
pincode on  
postcard

Can't recognize  
few digits

digits are not  
written properly

Difficult and  
confused
